

Kingston Hill Academy

Over the Counter Medication Authorization and Consent Form

Kingston Hill Academy will administer over the counter medication only when approved by a child's parent/guardian, under the discretion of the school nurse teacher, and with a **written doctor's order.**

A written doctor's order and a signed parental consent form must be provided to the school nurse before medication will be dispensed.

A limited supply of common medications (Tylenol, Ibuprofen, Benadryl) will be available in the Health Office for the treatment of unexpected ailments during the school day to be administered under the discretion of the school nurse teacher and with the parents' verbal permission.

All medication must be stored in the health office and will be dispensed by the school nurse only.

All medication must be in the original labeled package and must be delivered to school by the parent/guardian.

The parent/guardian gives permission to the school personnel to contact the prescribing physician regarding any questions pertaining to the medication.

The parent/guardian gives permission to the school nurse to share with appropriate school personal information relative to the medicine as she determines necessary for the health and safety of the child.

Please note all medication will be destroyed if not picked up within one week following termination of the order or by the last day of school.

Student name: _____ Grade: _____ Teacher: _____

Name of medication: _____ Dosage: _____

Time to be given: _____ Dates of administration: _____

Diagnosis or Reason for medication: _____

If medication is PRN, describe indications: _____

Significant side effects: _____

Physician's signature _____ Date: _____
