Kingston Hill Academy
Prescription Medication Authorization and Consent Form

*Kingston Hill Academy will only administer prescription medications during school hours as prescribed by a licensed physician. If possible, all medication will be prescribed to be given at home.
*Prescription medication must be provided to the school nurse in the original pharmacy labeled container and must be delivered to school by the parent/guardian.
*All medications must be stored in the health office and will be dispensed by the school nurse, except for children approved for self-administration by the school nurse, the parent and prescribing physician.
*Please note all medication will be destroyed if not picked up within one week following termination of the order or by the last day of school.
*For school sponsored field trips, accommodations will be made for safe administration of prescribed medications if the parent is unavailable to attend the school trip and the child in unable to self administer.
*The parent/guardian gives permission to the school personnel to contact the prescribing physician regarding any questions pertaining to the medication.
*The parent/guardian gives permission to the school nurse to share with appropriate school personal information relative to the prescribed medicine, e.g. adverse side effects, as she determines necessary for the health and safety of the child.
