

Thank-An-Educator Raffle Program!

The **Thank-An-Educator Program** is a great way to express gratitude to teachers and other school personnel who make a difference in your child's life every day - which is especially true given the last few years - where teachers went above and beyond to support students emotionally and academically - while displaying immense resilience. By honoring an educator with a tax-deductible donation to Kingston Hill Academy (KHA), **you will not only express your appreciation, but your gift will also allow us to enhance our outdoor learning and play offerings for all KHA youth.**

Your generous donations will go a long way:

Getting started Donate \$25 and send a thank you note to a teacher or any other school employee

Picking up the pace For every \$25 donated, we will enter the honored teacher into a raffle for the chance to win a classroom grant

Full steam ahead

For every \$100 donated, the teacher will receive five tickets entered towards the raffle, and for every \$200, the teacher will receive ten tickets towards the raffle. **All awarded prizes will be for the teacher to use for their classroom directly.** In addition to the raffle, the teacher who receives the most notes will be thrown a celebration with their class.

Lasting impression

The goal is to raise an additional \$100/per student to enhance our outdoor learning and play offerings. In particular, we would love to add more early-learning related items, bring back our greenhouse and create an outdoor music classroom, complete with an amphitheater!
