

Summer Learning

1st graders going into 2nd grade

As second grade teachers we encourage students to keep reading, exploring, and engaging their minds during the summer.

Second grade builds on the skills learned in first grade, with a greater emphasis on independence, critical thinking, and problem-solving. As teachers in second grade we need to be able to challenge students and provide them with opportunities to explore their interests and passions.

Literacy:

- Read, read and read!! Read independently, listen to a read aloud or an audio book, read on the beach or under a tree. Just have fun and read!!! A summer reading log is attached to keep a record of the amazing books you read over the summer.
- UFLI Heart Words - 1st grade and 2nd grade list - practice reading and spelling these words.

Math:

- Continue using Zearn at home over the summer to solidify the 1st grade math modules.
- Math facts addition and subtraction 1-10 should be mastered. Second grade math facts addition and subtraction 1-20.

Any questions - please email kcharest@kingstonhill.org or jklann@kingstonhill.org.

Grade 2 Teachers - Ms. Kim and Ms. Julie

INTENSIVE SERIES

LET'S MAKE THIS SUMMER COUNT WITH ZEARN

Zearn's Summer Math Intensive Series deeply explores the essential math content that will help rising 1st–9th graders unlock grade-level math learning this fall.

Each series includes adaptive, digital lessons and teaching materials designed to be used across any summer learning model, including in-school summer programming, tutoring or at home. Zearn is available online 24/7, and families can access it **for free** at home.

Recommended usage in each 4-to-6-week program:

Visit our [summer math page](#) to view the recommended lessons for every grade level.

★ **Rising 1st–3rd graders: 1 lesson per day**

★ **Rising 4th–9th graders: 2 lessons per day**

How to use the tracker:

- ✓ Print the tracker (next page).
- ✓ Fill in your program's duration and each student's weekly lesson goal.
- ✓ Students mark their progress with stickers, stamps, hand-drawn symbols, or printable Zearn icons (included in this packet).
- ✓ If there are extra weeks on the tracker, simply trim them off.

Celebrate success!

When students reach their lesson goal, recognize their hard work with a **well-earned certificate!**

Visit our summer math page.

Zearn is the 501(c)(3) nonprofit educational organization behind Zearn Math, the top-rated math learning platform used by 1 in 4 elementary-school students and by more than 1 million middle-school students nationwide. Everything we do is driven by the belief that every kid is a math kid.

ZEARN'S BRAINY CHALLENGE

1

Log into your Zearn account

Students should log into Zearn and complete the lessons in the “Next Up” tab

2

Complete the target number of lessons!

Set a goal to complete 12 digital lessons

Want to help motivate your student to complete the challenge?

Here are tips for supporting your child's learning with Zearn Math. You can also reach out to your child's teacher for more information about their progress in the challenge.

Zearn is the 501(c)(3) nonprofit educational organization behind Zearn Math, the top-rated math learning platform used by 1 in 4 elementary-school students and by more than 1 million middle-school students nationwide.

Zearn's Brainy Challenge!

Name: _____

Color in a new section of Brainy each time you complete a lesson.
Once you've completed 12 lessons, you've completed the challenge!
